About ASCD:

Welcome to the Hofstra University ASCD Student Chapter Club. ASCD, the Association for Supervision and Curriculum Development is a worldwide organization that promotes professional development among educators. Being an international group, ASCD is comprised of members from over 135 countries. Thanks to the establishment of Hofstra's student chapter both undergraduate and graduate students from Hofstra have become part of the ASCD community.

Our Fifth Seminar:

Welcome to our Sixth ASCD chapter club seminar of the 2008-2009 school year. Our last meeting on how to prepare for the interviewing process was very helpful. Camille Sullivan, Assistant Superintendent at the Shoreham Wading River School District provided helpful information about resumes and demo lessons.

Our keynote speaker for this evening is Audrey Bellovin, principal from Hemlock school in Garden City. Tonight she will be doing a presentation on elementary math. Ms. Bellovin is a strong supporter of using math games to reinforce concepts and has many great ideas that will be helpful in your classroom.

Thank you for attending our second seminar of the spring semester! Please check your e-mail for updates.
