About ASCD:

Welcome to the Hofstra University ASCD Student Chapter Club. ASCD, the Association for Supervision and Curriculum Development is a worldwide organization that promotes professional development among educators. Being an international group, ASCD is comprised of members from over 135 countries. Thanks to the establishment of Hofstra's student chapter both undergraduate and graduate students from Hofstra have become part of the ASCD community.

Our Seventh Seminar:

Welcome to our seventh ASCD chapter club seminar of the 2008-2009 school year. Last month, Ms. Bellovin, a principal from Garden City, discussed how to incorporate hands-on activities for math. All who attended received a packet filled with ideas and lessons for incorporating math into the classroom, in a fun-filled way.

Our keynote speaker for this evening is Rose Tirotta. In the fall, Rose demonstrated how to use SMARTBoard technology inside the classroom and ASCD had its biggest turnout. This evening, Rose Tirotta will be presenting about the use of Podcasting in the classroom. This is a new form of technology that is very useful in the classroom.

Thank you for attending our last seminar of the spring semester! Have a great summer!
